2. COMMUNICATION:

"The International Bureau hereby informs the applicant that due to a technical error which occurred during the processing of the international application at the International Bureau, the designation of San Marino (SM), which was made in the international application, was not published in this international application.

The Patent and Trademark Office (San Marino) has been notified that San Marino was designated in this international application.

We draw your attention to the fact that the International Bureau does not plan to republish the international application in order to include an indication of the designation of San Marino (SM). However, if the applicant intends to enter the national phase in that State, the International Bureau would agree to republish the international application upon a specific request of the applicant.

We apologize for the inconvenience this error may have caused."
